- (a) Enter into cooperative agreements to stimulate or support research, using the authority of 10 U.S.C. 2358, as well as assistance transactions other than grants or cooperative agreements, using the authority of 10 U.S.C. 2371. The reason that both authorities are needed is that a TIA, depending upon its patent rights provision (see appendix B to this part), may be either a cooperative agreement or a type of assistance transaction other than a grant or cooperative agreement.
- (b) Recover funds from a recipient and reuse the funds for program purposes, as authorized by 10 U.S.C. 2371 and described in § 37.580.
- (c) Exempt certain information received from proposers from disclosure under the Freedom of Information Act, as authorized by 10 U.S.C. 2371 and described in §37.420.

# § 37.125 May I award or administer TIAs if I am authorized to award or administer other assistance instruments?

- (a) You must have specific authorization to award or administer TIAs. Being authorized to award or administer grants and cooperative agreements is not sufficient; a grants officer is an agreements officer only if the statement of appointment also authorizes the award or administration of TIAs.
- (b) You receive that authorization in the same way that you receive authority to award other assistance instruments, as described in 32 CFR 21.425 and 21.435 through 21.445.

## § 37.130 Which other parts of the DoD Grant and Agreement Regulations apply to TIAs?

- (a) TIAs are explicitly covered in this part and part 21 of the DoD Grant and Agreement Regulations (DoDGARs). Part 21 (32 CFR part 21) addresses deviation procedures and other general matters that relate to the DoDGARs, to DoD Components' authorities and responsibilities for assistance instruments, and to requirements for reporting information about assistance awards.
- (b) Two additional parts of the DoDGARs apply to TIAs, although they do not mention TIAs explicitly. They are:

- (1) Part 25 (32 CFR part 25) on nonprocurement debarment and suspension, which applies because it covers nonprocurement instruments in general:
- (2) Part 26 (32 CFR part 26), on drugfree workplace requirements, which applies because it covers financial assistance in general; and
- (3) Part 28 (32 CFR part 28), on lobbying restrictions, which applies by law (31 U.S.C. 1352) to TIAs that are cooperative agreements and as a matter of DoD policy to all other TIAs.
- (c) Portions of four other DoDGARs parts apply to TIAs only as cited by reference in this part. Those parts of the DoDGARs are parts 22, 32, 33, and 34 (32 CFR parts 22, 32, 33, and 34).

#### Subpart B—Appropriate Use of Technology Investment Agreements

### § 37.200 What are my responsibilities as an agreements officer for ensuring the appropriate use of TIAs?

You must ensure that you use TIAs only in appropriate situations. To do so, you must conclude that the use of a TIA is justified based on:

- (a) The nature of the project, as discussed in §37.205;
- (b) The type of recipient, addressed in §37.210:
- (c) The recipient's commitment and cost sharing, as described in §37.215;
- (d) The degree of involvement of the Government program official, as discussed in §37.220; and
- (e) Your judgment that the use of a TIA could benefit defense research objectives in ways that likely would not happen if another type of assistance instrument were used. Your answers to the four questions in §37.225 should be the basis for your judgment.

### § 37.205 What judgments must I make about the nature of the project?

You must

(a) Conclude that the principal purpose of the project is stimulation or support of research (*i.e.*, assistance), rather than acquiring goods or services for the benefit of the Government (*i.e.*, acquisition);
